Did you know that @seafood_sales has its own brand? "N'Joy Seafood®" is your unique opportunity to keep a fresh stock of Wild-Salmon and thus be flexible with your customers' needs, at all times!

We provide stock availability for small and medium-sized companies, who prefer investing their capital in customer relations to spending it on the valuable stock.

You will find our N'Joy Seafood® products available from cold stores in Denmark and Germany, and delivery can take place to most European cities within a few days.

Call us or send us an email, and we will be happy to forward a quotation.
