On September 20, one of the special activities of the 7th China-Eurasia Expo, the National Counterpart Aid to Xinjiang Agricultural Products Trading Session and the Matching Activity of Agricultural Products Production and Marketing in Poverty-Eradication Areas was officially launched. On that day, Yili enterprises gained a lot. Among them, Xinjiang Tianyun Organic Agriculture Co., Ltd. signed an intentional sales contract with Dalian Ruichi Group for 999 million yuan, and Yili Wine Industry Co., Ltd. signed an intentional sales contract with Sichuan Haoyuan Baifu Wine Industry Group Co., Ltd. The contract is 350 million yuan, a total of 1.349 billion yuan.

"Sichuan Haoyuan Baifu Wine Group Co., Ltd. is a very influential wine seller in China. The sales contract signed with Sichuan Haoyuan Baifu Wine Industry Group Co., Ltd. covers the whole series of products of Yili Wine Industry. For Yili It is of great significance for the wine industry to expand the national market and increase product popularity." Wang Hui, manager of Wuchang District of Yili Wine Industry Co., Ltd. Yili Gufang Wine Sales Co., Ltd., told reporters.

As one of the projects that are about to land in Huocheng County, in the afternoon of the same day, at the signing ceremony of the 7th China-Asia-Europe Expo Cooperation to the Future-Investment Promotion Key Project, Inner Mongolia Hongyu Mining Co., Ltd. signed a contract with Huocheng County People's Government The 2.4 million tons/year construction project of Jieliangzi North Coal Mine in the North District of Ningxia Mining Area is implemented by Yili Hongyu Mining Co., Ltd.

"Our project in Huocheng County includes ground construction and underground coal excavation. It is the construction of the entire assembly line. At present, it has been advanced from the ground project. The total investment budget of this project is 2 billion yuan." said Wang Suqiang, general manager of Yili Hongyu Mining .

"In this expo 'Collaboration to the Future-Signing Ceremony of Key Projects for Investment Promotion ', 3 projects were signed on site in Yili Prefecture, with a total investment of 5.8 billion yuan. They are Inner Mongolia Hongyu Mining Co., Ltd. and the people of Huocheng County. The government signed a contract for the 2.4 million tons/year construction project of Jieliangzi North Mine in the North District of Yining Mining Area; Yining County signed a contract with Guojin Technology (Zhejiang) Co., Ltd. for the new energy equipment manufacturing industry base project in Yining County, with a total investment of 2 billion yuan; Xinyuan County and Yili Yuejiang Digital Industry Investment and Construction Co., Ltd. reached an investment cooperation agreement on the data center project of Xinyuan Park, Yili Digital Industry Demonstration Park, with a total investment of 1.8 billion yuan." said Zhang Yuqiang, deputy director of Yili Prefecture Bureau of Commerce.

On the afternoon of September 21, Yili Prefecture will also hold an online promotion meeting for investment promotion and a cloud signing ceremony. At the signing ceremony, Yili Prefecture will reach investment cooperation intentions with 27 enterprises including Zhongnong Haidao (Shenzhen), Shandong Jiachi New Chemical Industry, Jiangxi Molisi Technology, and Anhui Teana, with an estimated total investment of 21.384 billion yuan.
