# UPT SDN 183 Learning Activities Disturbed by Pollution from PT SJA, DLHK Asked to Act Firmly

 IRWAN • November 19, 2024 • GRESIK CHANNEL

GRESIK,KANALINDONESIA.COM : Students of UPT SDN 183 Gresik complain about air pollution caused by PT Sais Jaya Abadi, in Sumberame Village, Wringinanom, Gresik, East Java, the factory is engaged in the processing of sea fish heads and spines that are made into flour.

The principal of UPT SDN 183 Gresik, Suwarni revealed that before there was a fish processing factory, the comfortable teaching and learning atmosphere was not disturbed by unpleasant smells, however, after the factory was established, we and the students at this school became restless.
