Failure to comply with health measures: establishments affected by the closure

Maghreb Arab Press Agency (MAP) · July 15, 2020 - 6:37 p.m.

São Paulo **ABERTO** 10:00–22:00
Avenida das Nações Unidas -...

By LeSiteinfo with MAP

As announced in the press release from the Ministry of the Interior, dated July 14, 2020, since the launch of the gradual resumption of economic dynamics, and on the basis of the control operations carried out by the competent commissions, 514 decisions have been issued to close industrial and commercial units in 34 prefectures and provinces, for non-compliance with the health measures in force.

A total of 98 units among them are still closed, while the others have cleaned up their situation by committing to respecting the provisions in force.

The closed units are divided by category, namely "Local shops" (small shops, butchers and bakers, etc.) (144 units), "Industrial units" (135), "Restaurants" (58), "Cafés" (55), "Commercial units" (shopping centres) (45), "Beauty and leisure" (hammams, hair salons, gyms) (44), "Call centres" (15), "Local workshops and craftsmen" (11), "Tourist accommodation establishments" (5), "Money transfer agencies" (2).
