Add Notes

SKU/UPC: 00783041000047
Location: Seafood Department

Description Nutrition Ingredients Directions

Portion size 1 loin (3-4 oz, 85g). High protein. Naturally better. Uncooked. No antibiotics ever. Responsibly raised in deep-water lakes. The Regal Springs Naturally Better Tilapia Story: Regal Springs started to pioneer responsible tilapia aquaculture production when the original founder of the business was a UN aid worker. He had a vision of developing responsible fish farming operations that would benefit local impoverished lake
