- Compressed air tank explosion kills car tire repair shop owner

As of 9:00 p.m. on February 28, the Investigation Police Agency of Dong Hoa Town Police (Phu Yen) was still conducting a crime scene investigation and autopsy of the work accident that killed a male worker.

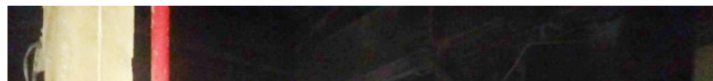

Initial information said that at around 6:50 p.m. the same day, a compressed air tank explosion suddenly occurred at the fishmeal production and processing workshop of the Agricultural Development Investment Joint Stock Company, located in Lot B4, Hoa Hiep Industrial Park (in Phuoc Lam quarter, Hoa Hiep Bac ward, Dong Hoa town, Phu Yen province).

A section of the prefabricated factory roof collapsed after the explosion.

The explosion seriously injured male worker Nguyen Anh Du (born in 1988, residing in Phu Hiep 3 quarter, Hoa Hiep Trung ward, Dong Hoa town), a section of the prefabricated frame roof collapsed, many tools, equipment components were damaged...

Although taken to Phu Yen General Hospital for emergency treatment, the victim died.
