JT,

I will submit a reply by this afternoon. It will not be a standard reply. I will include you and Ra[REDACTED] along with Thomas, Jacob and A[REDACTED]

I knew if I gave them enough rope, they would hang themselves. And with Friday being a very slow day in PPC they went ahead and did it. I will include indisputable evidence that the SGS reports are lies. And essentially, they are stealing from you.

Stay tuned. I've been waiting awhile for this.

Best Regards,

Joshua Farinella
