Thank you!

### **Ahold Delhaize USA Statement**

Ahold Delhaize USA and each of its local brands are committed to ensuring the products in our supply chain are ethically and sustainably sourced. Ahold Delhaize USA companies hold suppliers to high [standards of engagement](#) for product integrity, human rights, and many other areas. Ahold Delhaize USA companies source a very limited number of products from Choice Canning. **We have been in touch with Choice Canning regarding this matter, and Choice Canning has confirmed that none of the shrimp sourced for our private brand products are processed in the Amalapuram facility in Andhra Pradesh.** Ahold Delhaize USA takes this matter very seriously, is conducting a thorough investigation, and will take appropriate action, if it is determined that our standards of engagement have not been upheld.
