[12/16/23, 9:55:51 AM] Thomas Jose: @916282\*\*\*\* originally our idea was to sell the sizes of what we don't need to Sri\*\*\*\*.

[12/16/23, 9:56:06 AM] Thomas Jose: He is now saying that he can't these sizes. <This message was edited>

[12/16/23, 9:56:25 AM] Thomas Jose: For the time being we have blocked everything.

[12/16/23, 9:57:03 AM] Thomas Jose: Can you look and see what we can use these items for converting to final after grading for non-vid orders?

[12/16/23, 9:57:09 AM] Thomas Jose: Kindly study and update. Thank you.

[12/16/23, 10:00:39 AM] ~ Jam\*\*\*\*: Around 25%is out of our vid requirements <This message was edited>

[12/16/23, 10:01:43 AM] ~ Jam\*\*\*\*: This is normal if we don't have every size available for vid

[12/16/23, 10:02:27 AM] ~ Jam\*\*\*\*: But many we can covert for other requirements

[12/16/23, 10:03:17 AM] ~ Jam\*\*\*\*: Ask them to convert our suitable products for metro

[12/16/23, 10:05:29 AM] ~ Jam\*\*\*\*: It is small qty and if they do daily it is less and easily they can do. Convert to below products

RPND 71/90

REZP 71/90

RPND 91/110

RPND 100/150

[12/16/23, 10:06:57 AM] ~ Jam\*\*\*\*: Don't simply pack as HL block. We have already stock of around 15 ton small size HL at Bapatla/Chirala on this account

[12/16/23, 10:10:03 AM] ~ Jam\*\*\*\*: These sizes (RPND) directly we can produce produce at Amalapuram or anywhere without ppc activities.

[12/16/23, 10:18:37 AM] JT: Please follow up and make sure Sri\*\*\*\* gets in good condition and also to make sure accounts department is kept informed

[12/16/23, 10:18:38 AM] JT: Thomas

If Sri\*\*\*\* has no interest it's fine ... we should plan what to produce into various brands and items we have and pack them into those brands daily instead of blocking. I don't want to build up block inventory

[12/16/23, 10:19:29 AM] ~ Jam\*\*\*\*: Abh\*\*\*\*,

Grade for this other than vid requirements. Peel as per these products. block and label properly.

[1/8/24, 2:13:21 AM] Ous\*\*\*\*: 70 counts landings are very less,no enquiries at all and plus BS is very high from Kavali area

[1/8/24, 2:35:20 AM] Ous\*\*\*\*: Jt,I am trying my level best for this counts,but the main reason is all farmers are holding this counts expecting a price increase,anyway I have two enquiries today,we will definitely buy in the coming days.

[1/8/24, 2:39:24 AM] JT: All I am asking is to keep us posted . How can we read your mind??

[1/8/24, 3:05:15 AM] Ous\*\*\*\*: Jt,we will definitely catch up,only problem is we need only 70 count for vid and this is not a regular count,70 count harvests happens only if there is a partial harvest or if there is any issue with the running culture.
