Dear Abh [redacted]

It was noticed and attended. Given strict instructions to the supervisor and the contractor as well. I will make sure there are no such issues happening from the OPPCs.

Best Regards

Ma [redacted]

Subject: No Ice on table at External PPC (Kundaleswaram)

Dear Ma [redacted],

QC has informed that no ice on tables despite repeated warnings at external PPC- 2(Kundaleswaram) during peeling . The QC has told many times to supervisors and informed through the Whats app group ,still the Supervisors are not following Standard operating procedure. Due to Insufficient of Ice during peeling it will lead to Discolouration , Deterioration and decomposition (smell) in product.

Please give strict warning to supervisors dealing this operation at External PPC- 2 (Kundaleswaram) or else QC will force to stop the operations at External PPC- 2 (Kundaleswaram) .

Best Regards,
Abh [redacted]
