Dear Kir [REDACTED]

Today after noon, I visited the external PPC in Thalarevu with Abh [REDACTED] and Ba [REDACTED]. We are processing a minimum of 5 tons of material there daily. We witnessed no supervision and irresponsibility from the supervisor. All the peeling tables were without ice. Associates were working without a mask or head cap. The supervisor was outside, and no one was there to take care of our material. Mr. Eja [REDACTED] was the supervisor, and this is not the first time a complaint has been raised against him. Please suspend him for 7 days, effective tomorrow, and we will update the decision after.

Best Regards
