Dear Sir,

Following our discussion yesterday regarding the increase in peeling associates:

- Mr. Sri [REDACTED], has confirmed that he will increase the manpower to 200 (all shifts) and aims to reach the target by this coming Friday, 24th November 2023.
- Mr. Ram [REDACTED], he is unwell, and I have not received any updates from the contractor. I will inform you as soon as he is available.
- Mr. Rama [REDACTED] is currently not answering calls, and I am consistently receiving complaints from the associates about their salaries. He has not yet cleared the wages for the month of October.

Thanks & Regards,

P Kiran Kumar
